## AgileLINK VOD (powered by CineSend)

---

Introducing AgileTix's latest innovation, AgileLINK VOD (powered by CineSend), which allows theaters to show films to their patrons in the convenience of the patron's home. With this service, patrons will have the option to purchase a ticket through the theater, and in return will receive a link to a digital rental of the movie that they are able to view directly at home. With options to purchase a membership and donate to your organization during the checkout process. Now you can bring the theaters to your patrons.
